

## **Corby AC Privacy Policy**

**Effective Date: September 30, 2018**

This policy explains what information we collect when you use Corby AC sites, services, mobile applications, products, and content ("Services"). It also has information about how we store, use, transfer, and delete that information. Our aim is not just to comply with privacy law. It's to earn your trust.

### **Who we are**

Our website address is: <https://www.corbyac.co.uk>

### **What personal data we collect and why we collect it**

#### Contact forms

We only collect names and email addresses using our contact us form. If you leave contact information we will only use this to facilitate your use of the website and send and receive related communications.

#### Cookies

A cookie is a small simple file that is sent along with pages of this website and stored by your browser on the hard drive of your computer or another device. The information stored therein may be returned to our servers or to the servers of the relevant third parties during a subsequent visit.

For more information about Cookies, see our [Cookies policy](#).

#### Embedded content from other websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracing your interaction with the embedded content if you have an account and are logged in to that website.

### **Who we share your data with**

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business or servicing you, so long as those parties agree to keep this information confidential. We may also release information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising or other uses.

### **How long we retain your data**

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

For users that register on our website (if any), we also store the personal information they provide in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.

### **What rights you have over your data**

If you have an account on this site or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.

### **Where we send your data**

Visitor comments may be checked through an automated spam detection service.

### **How we protect your data**

We implement a variety of security measures to maintain the safety of your personal information when you access your personal information. The ways we do this include:

- Limiting access to the information we collect about you.
- Where required by law, destroying or de-identifying Personal Information.

## **Your Consent**

By using our site, you consent to our privacy policy.

## **Changes to our policy**

If we decide to change our privacy policy, we will post those changes on this page.

## **Contact us.**
